Aims of the Workshop

- To share your views and experience of employee engagement.
- So that you can use this information to develop a simple and effective toolkit.
- So that you can take the toolkit back to your organisation, align it to your strategies, and enable great engagement to flourish.

Next Steps – Your Commitment

- Take a photo of the toolkit you have just developed back to your organisation.
- Share it with your colleagues, so that you can align it to your strategies, commit to action, and enable employee great engagement to flourish.
- It requires sustained focus and effort, and your toolkit must be regularly reviewed so that it remains aligned and highly effective.
