THE EOA

As a membership organisation we support businesses to explore and transition to employee ownership as well as grow and develop as employee owned businesses.

As the leading voice for employee ownership in the UK we work in close partnership with our members to champion, promote and provide insight into the business case for more employee ownership as part of our mission to grow the sector in the UK.

“ Working with the EOA we are able to share expertise, support and influence activity to help business owners consider the employee ownership model and support, with advice, good governance in employee owned companies within a national network of more than 330 businesses.”

Malcolm Lynch, Partner, Wrigleys Solicitors LLP
