

# THINKING OF BECOMING AN EOT INDEPENDENT TRUSTEE?

## Want to develop best practice Independent Trustee skills?

Discover how to maximise the 'EO Effect' in employee owned businesses as an Independent Trustee with our new EO Learn course. Confirm the EOT fundamentals, challenge your understanding, and align your specific expertise and knowledge to the requirements and expectations of this unique role.

### HOW TO BOOK

Book a place using our [booking form](#) or contact us via email at: [eolearn@employeeownership.co.uk](mailto:eolearn@employeeownership.co.uk)

### WHAT YOU'LL LEARN:

- Understand your role in helping the business realise the benefits of EO
- Awareness of the key knowledge, skills and behaviours expected of an Independent Trustee
- A best practice approach to develop effective EOT governance practices
- Recognise the maturity of an EO business and how the role of the Trust, and the Independent Trustee, changes as a result
- How Trustees work with the business leaders to support effective decision-making
- Build your network with fellow attendees through sharing your insights and challenge

### WHO SHOULD ATTEND:

- Anyone wishing to expand their best practice knowledge and insight into the EOT Independent Trustee role
- Those new to the EOT Independent Trustee role
- Non-Executive Directors looking to broaden their portfolio
- Individuals being sponsored by their employers
