Open Space – Purposes

- To propose and discuss questions, challenges, successes that are relevant to you / your organisation
- To learn from the experience and insights of others
- To network with peers and build new relationships
- In order to take key learnings back to your business

BE INVOLVED, BE INFORMED, BE INSPIRED

Open Space – how it works

- Think about questions, challenges, successes, that you would like to discuss with others in order to gain their insights and experiences
- Propose those questions to the room in order to build a list of topics
- Refine and agree the list of topics to be discussed and explored
- Join the discussion(s) you want to be involved in - ask questions, share examples and ideas
- ...and its fine to move on when you want to...

BE INVOLVED, BE INFORMED, BE INSPIRED

What questions, challenges, or success stories are on your mind?

Lets create discussions!!!

BE INVOLVED, BE INFORMED, BE INSPIRED

Take what you captured back to your business
